### Your Printable Ring Sizer

You can have your finger sized at a jewellers but if that is not possible we've created this printable ring sizer for you.

#### Step 1:

Print this page ensuring your printer is set to print the page at 100%. You should find this in "Page Set Up".

#### Step 2:

Check your print out is accurate by comparing the measurements here with a ruler.

#### Step 3:

Use a ring that you already have and that fits the finger you wish to size. Place the ring on the black circles below until you find one where the black circle touches the inside of your ring all the way round.
